NORTHERN VIRGINIA
**GROWING COMMUNITIES
WORKSHOP**
Scholarship Application

Completed scholarship application form should be returned via email with Growing Communities Workshop in the subject line to ex013mg@vt.edu and must accompany your registration form. Use the questions below as a starting point to give us an idea of what your community garden is or will be like and what you will do with this training.

Briefly describe your past gardening experience. Include community related as well as personal experience.

Explain if you are a “self-taught” gardener or have any formal training.

Describe the garden you have or want to start. Who will be served by this garden?

Do you have any teaching /mentoring experience?

What are your goals regarding this training?

How will this training help you achieve your goals?

Identify others with whom you will share this knowledge or who will benefit from the knowledge you get from this training.

Explain your plan to involve your local Cooperative Extension resources in your project?

The full cost of the workshop is \$ 75.00 per individual. Includes ACGA membership, *Growing Communities Curriculum* (\$35 value), 2 days of workshop and lunch!

I am requesting \$ _____ in order to attend the Northern Virginia Growing Communities Workshop

Deadline for Workshop registration is September 10th 2010
Deadline to request financial assistance is September 1st.

Questions may be sent to [Growing Communities Scholarship](#) or 703-228-6423
